E-POSTER GUIDELINES

Presentation Format :

- Your presentation must be in POWERPOINT* format (*.pptx recommended)

- **ONE SINGLE** 16:9 landscape slide

- Exclusively written in British English, without audio.

- We strongly recommend that you prepare your e-Poster directly on the .pptx template.

Editorial Recommendations :

- Be careful to use a font size readable in full screen mode.

- Please verify the resolution of your images before including them in the e-Poster. No pixelization should appear on the screen.

- Animations in the content of the slide and other animated pictures are not allowed.

- To avoid compatibility problems between Mac and PC, we strongly recommend you use basic fonts (Arial, Calibri, Helvetica).

*For Presentation you are require to register for the conference. Option of Single day registration is also available on website.

You have to submit your E-Poster before **25th November, 2024.**

You can upload your E-Poster in advance on the website **www.csi76.com** from **11th November, 2024.**

Best Wishes,

Prof. (Dr.) Sanjay Tyagi
Dr. B C Roy National Awardee,
